- Style errors
- Punctuation errors

Error Type: Style - it is well known that

Error Text: It is well known that interferon has been an effective treatment for hepatitis B (HBV), hepatitis C (HCV), and certain types of malignancies (Johnson et. al., 1998; Parker and Cohen, 2005; Moss et al., 2007).

Error: "it is well known that" is a verbose/expedient phrase.

Suggestion: None

Location: Page 1, Line 4, Position: 0

Error Type: Punctuation - et. al.

Error Text: It is well known that interferon has been an effective treatment for hepatitis B (HBV), hepatitis C (HCV), and certain types of malignancies (Johnson et. al., 1998; Parker and Cohen, 2005; Moss et al., 2007).

Error: Remove period from "et. al."

Suggestion: et al.

Location: Page 1, Line 5, Position: 62

Error Type: Punctuation - In

Error Text: In one study it was determined that approximately one-quarter (20-30%) of patients being treated with interferon developed mild or moderate symptoms of depression.

Error: Comma needed after introductory clause.

Suggestion: Insert comma after clause: "In....."

Location: Page 1, Line 8, Position: 14

Error Type: Style - it was determined that

Error Text: In one study it was determined that approximately one-quarter (20-30%) of patients being treated with interferon developed mild or moderate symptoms of depression.

Error: "it was determined that" is a verbose/expedient phrase.

Suggestion: None

Location: Page 1, Line 8, Position: 27

Error Type: Spelling - approximately

Error Text: In one study it was determined that approximately one-quarter (20-30%) of patients being treated with interferon developed mild or moderate symptoms of depression.

Error: "approximately" is a misspelling;

Suggestion: approximable; approximalis; approximated; approximately; approximates; approximating; approximation; approximative; approximator; approximatius;

Location: Page 1, Line 8, Position: 50

Error Type: Punctuation - cell adhesive

Error Text: Interferon causes depression by a cell adhesive interaction that leads to the inhibition of the serotonin transporter.

Error: Hyphen needed

Suggestion: cell-adhesive

Location: Page 1, Line 10, Position: 46

Error Type: Spelling - serotonin

Error Text: Interferon causes depression by a cell adhesive interaction that leads to the inhibition of the serotonin transporter.

Error: "serotonin" is a misspelling;

Suggestion: serotonin;

Location: Page 1, Line 11, Position: 18

Error Type: Punctuation - x-ray

Error Text: Detailed x-ray crystallographic studies have shown that interferon stimulates the release of cytokines that concentrate just outside of the serotonin target receptor.

Error: Capital "X" required

Suggestion: "X-ray"

Location: Page 1, Line 11, Position: 50

Error Type: Grammar - outside of

Error Text: Detailed x-ray crystallographic studies have shown that interferon stimulates the release of cytokines that concentrate just outside of the serotonin target receptor.

Error: "outside of" is a double preposition error.

Suggestion: outside

Location: Page 1, Line 12, Position: 74

Error Type: Style - as a result of

Error Text: As a result of this serotonin cannot produce normal neuron firing, leading to neuropsychiatric disturbances.

Error: "as a result of" is a verbose phrase.

Suggestion: because

Location: Page 1, Line 13, Position: 27

Error Type: **Spelling** - neuropsychaitric

Error Text: As a result of this serotonin cannot produce normal neuron firing, leading to neuropsychaitric disturbances.

Error: "neuropsychaitric" is a misspelling;

Suggestion: neuropsychiatric; neuropsychiatrie; neuropsychometric;

Location: Page 1, Line 14, Position: 19

Error Type: **Punctuation** - Fortunately

Error Text: Fortunately severe depression in patients being treated with interferon is uncommon.

Error: Comma needed

Suggestion: A comma after "Fortunately" is recommended.

Location: Page 1, Line 14, Position: 50

Error Type: **Grammar** - But

Error Text: But the underlying neurobiological causes of depression are unknown.

Error: Beginning a sentence with a coordinating conjunction

Suggestion: Begin sentence with "However,"

Location: Page 1, Line 17, Position: 15

Error Type: **Style** - has been proven to be

Error Text: Besides induction of cytokines, interferon has been proven to be a transport inhibitor of opioids including dopamine and norepinehrine.

Error: "has been proven to be" is a verbose phrase.

Suggestion: is

Location: Page 1, Line 18, Position: 43

Error Type: **Punctuation** - including

Error Text: Besides induction of cytokines, interferon has been proven to be a transport inhibitor of opioids including dopamine and norepinehrine.

Error: Comma needed

Suggestion: A comma before "including" is recommended.

Location: Page 1, Line 19, Position: 8
